CANADA NORTH

OPEN CAMPS - ALL YEAR / CAMP RENTALS / TRANSPORTATION / CAMP SETUPS / DRILL CAMPS

Over the past decade Canada North has been actively involved in projects throughout Alberta and abroad.

Part of our operations includes open camps located throughout Alberta. We also operate contract camps for a wide variety of oil field and government agencies. Canada North has maintained long term professional relationships with numerous companies from industries such as: Oil and Gas, Construction and the Alberta Government.

Canada North takes great pride in its professional approach in meeting with the unique needs of our clients. Our standardized methods create optimal efficiencies which allow us to provide exceptional services at a competitive price. Our On Time - On Budget approach to our work has allowed our business partners to profit alongside us. We look forward to the opportunity to show you how we can work for you!

Canada North focuses on superior food quality, exceptional service and prices that represent great value for our guests. Our company dynamic offering appeals to a wide range of audiences including all oil field services, forestry and other tradesman.

At Canada North we believe our purpose is to help our guests enjoy their home away from home. No matter the size of the operation, we have the equipment to do the job. From generators for electricity, to sewage treatment systems for waste, to phone and internet services to keep you connected, we have it covered.

Heart Lake Canada North Group (HLCNG) Partnership Overview

Canada North Camps (CNC) is a proud provider of camp service solutions with Heart Lake First Nation (HLFN) on projects happening within their Traditional Lands. As a true 50/50 partner we are committed to the Nation goals of human resource capacity development, community investment and economic participation while delivering exceptional client satisfaction.

HLFN has excellent relational capacity with resource developers, and is operating many successful business ventures and partnerships. For CNC, as a family-run business committed to maintaining long-term satisfied clients, there is a natural synchronicity in doing business together. Together our partnership is representative of many years of industry and relationship knowledge and we are pleased to be a uniquely meaningful option in remote workplace accommodations.
